DESCRIPTION

Car trunk organiser made from 600D polyester, designed to keep your boot tidy. Square-shaped with rigid side panels to remain upright when unfolded, and integrated handles with metal eyelets for secure carrying. It features a large folding main compartment with an elastic closure and a zip flap to protect contents from dust, plus a side pocket for easy access to smaller items.

The fabric shows a durable textured weave and stitched finishes at the corners; the unit folds flat for compact storage. Metal eyelets and reinforced handles improve robustness for everyday use, suitable for cleaning products, tools or groceries. Available in several colour options.

This personalised car trunk organiser can be customised from one piece and accepts transfers, DTF printing, flex and screen printing transfer. Ideal for companies, sports clubs, associations, events and private customers who want a practical, branded storage solution.
