Brand	Kimood
Composition	100% Polyester
Material	100% Polyester
Average weight	280 g
Labels and certifications	PETA Vegan
Country of origin	China
Carton	50 pieces

DESCRIPTION

This pouch is designed to organise cables and small electronic accessories. Its compact A4 size in polyester fits easily into most backpacks and work bags. Inside, a woven grid of elastic straps in varying lengths secures chargers, cables, USB sticks and other small items, while a rear zipped pocket holds cards or flat objects. The pouch is unisex and easy to care for thanks to its 100% polyester construction.

Visible details show elastics firmly stitched to create modular compartments that prevent items from shifting in transit. A stitched bias provides edge reinforcement and a small side loop makes handling simpler. The flat A4 cut ensures good compatibility with most bags and offers practical protection while travelling.

This personalised pouch can be marked with screen printing transfer, DTF printing, transfer MSO or flex. Suitable for companies, sports clubs, associations, schools and private customers looking for a practical giveaway or an everyday organiser. Personalisation available from one piece and our graphic studio can vectorise your logo.

KEY FEATURES

- Allows for optimal organisation when travelling.
- Easy to transport and to decorate.
- System of crossover elastic bands for firm hold and clear object visibility.
