DESCRIPTION

This polyester personalization ribbon is designed as a keychain with a hook to attach easily to most zipper sliders. The flat, dense strap provides a smooth print surface; the photo shows stitched reinforcement at the loop and a swivel metal hook for convenient attachment. It's a practical, decorative accessory for bags and garments.

The ribbon is available in several colours (for example Black, Navy, Royal Blue) in one size, with reinforced stitching at the end for durability. The metal swivel clip allows regular daily use without hassle and the polyester material is easy to care for.

This personalised shopping tote accessory can be customised from a single piece across a wide range of textiles. Marking options: screen printing transfer, MSO transfer, DTF printing, flex. Suited to companies, sports clubs, associations, events and private customers who want a useful, identifiable detail on bags or clothing. Our design studio can retouch or vectorise your logo.
