DESCRIPTION

This unisex canvas travel bag with a vintage look is designed for short trips and weekend use. Its rectangular shape and 100% cotton canvas provide structured yet flexible carrying; PVC handles and a side grip ensure secure handling. A zippered external pocket offers quick access to smaller items and a top zip secures the main compartment. The slightly faded canvas finish contributes to the retro aesthetic while remaining practical.

Practical details visible on the product include antiqued-brass style buckles and eyelets, reinforced stitching at stress points and wide straps for comfort and durability. The interior is simple and roomy, suitable for clothing and essentials, and the clean construction makes occasional surface cleaning straightforward.

This personalised travel bag is available to customise from a single piece. Suitable marking techniques: screen printing transfer, MSO transfer, DTF printing, flex. Recommended for companies, sports clubs, associations, events and private customers who want a hard-wearing bag with character. We also offer marking on a large range of textile products.
