DESCRIPTION

Men's wheel duffel bag in cotton canvas, with a cylindrical shape, round base and drawstring closure. This one-size bag is made from natural cotton that combines a sturdy feel with straightforward care, making it practical for everyday use. It is offered in several colours, for example Navy, Royal Blue or Natural.

The photo shows practical details: thick rope straps that double as the drawstring closure and shoulder cords, clean side seams and a reinforced base for improved durability. Its simple design — no external pockets or complex fastenings — makes loading and storing the bag quick and easy.

This personalised duffel bag can be customised using Transfer (screen transfer), DTF printing, screen printing or flex. Suitable for companies, sports clubs, associations, events and private customers; customisation is available from one piece. Our studio can retouch or vectorise your logo prior to production.
