DESCRIPTION

Unisex tube-shaped sports bag in 600D polyester, designed for easy transport and storage. The cylindrical cut provides even capacity, with a zipped closure and a removable shoulder strap for carry options. Two wide handles can act as shoulder straps to use the bag as a backpack, and a separate zipped shoe compartment keeps footwear apart from other items. Polyester construction makes it light, durable and simple to care for. Available in several colours.

Order a personalised sports bag using transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers; single-piece personalisation is possible and our studio can retouch or vectorise your logo to include the marking in the quote.
