DESCRIPTION

2-litre waterproof dry bag made from PVC, one-size design suited to water sports, sea trips or motorcycle outings. Roll-top closure lets you reduce height or volume and keeps contents protected from moisture. Durable tarpaulin material with reinforced seams and a smooth finish for easy cleaning and compact storage.

Customisation is available from one piece: screen printing transfer, MSO transfer, DTF printing and flex are all possible. Recommended for companies, sports clubs, associations, events and private customers; our design studio can vectorise or adjust your logo prior to production. This product works well as a personalised dry bag.

KEY FEATURES

- Watertight, hard-wearing and versatile design.
