DESCRIPTION

A practical, durable sports bag designed for training and everyday travel. Rectangular cut in polyester with a large top opening and a two-way zipper for easy access to the main compartment. Sewn tape handles and an adjustable shoulder strap allow hand or shoulder carry. Available in several colourways, for example Black, Navy / Off White and Royal Blue / Red.

The bag features a separate zippered shoe compartment at the side to keep footwear isolated from clothing, plus a zipped side pocket for small items. Reinforced stitching at the handles and robust zippers suit repeated use. Polyester construction makes care straightforward.

Customisable from one piece, this bag is suitable for companies, sports clubs, associations and private customers. Possible marking techniques: screen printing transfer, MSO transfer, DTF printing and flex. Our studio can vectorise or retouch your logo for printing.
