DESCRIPTION

Unisex sports bag in 100% polyester, offered in sizes M and L for team travel and training use. Its cylindrical shape provides a large main compartment with full top opening; the durable fabric (300 g/m²) ensures good wear resistance and easy care. This personalised sports bag can be customised from a single piece and suits clubs, companies and private customers.

The bag includes a zippered side shoe compartment, reinforced carry handles and a removable, adjustable shoulder strap with pad that stows in the side pocket. A double zip on the main compartment improves access, and the front, side and top flap panels provide several printable areas. Available in multiple colours such as Black/Red, Black/Yellow and Forest Green/Light Grey.

Customisation available by screen printing transfer, MSO transfer, DTF printing and flex. Ideal for businesses, sports teams, associations, events and individuals; our design studio can retouch or vectorise your logo before marking.
