DESCRIPTION

Unisex sports bag available in sizes M and L for junior and senior teams. Made from 100% polyester (300 g/m²), it features a large main compartment with a full top opening and double zip, plus a zipped side pocket. Padded reinforced handles and an adjustable shoulder strap provide comfortable carrying. The rigid base panel is removable to maintain shape and allows machine washing of the bag.

Practical details designed for sports use: wide openings for easy access to kit, side zipped pockets for accessories and a sturdy build for regular transport. The rigid base is extracted via an internal zip, enabling separate marking of the panel or easier cleaning without damaging the structure.

Suitable for clubs, companies, schools, associations and private customers — this personalised sports bag can be customised from one piece. Available marking methods: screen printed transfer, MSO transfer, DTF printing, flex. Offered in several colourways (e.g. Black/Red, Forest Green/Light Grey, Navy/Light Grey). Our studio can retouch or vectorise your logo for production.
