DESCRIPTION

This sports bag is designed for travel and everyday training needs, offered in a one-size format suitable for everyone. Constructed from polyester, it features a large main compartment with a wide flap opening and double zip to simplify packing. An internal zipped pocket secures phone and keys, while the large front zipped pocket is specifically designed to accept decoration. The sturdy build and practical layout make it suitable for both sporting activities and short trips.

The bag includes two large lateral zipped pockets: one houses a dedicated shoe compartment with ventilation eyelets and a carrying handle, the other provides an external mesh pocket for smaller items. Webbing handles are stitched to the body and join with a padded velcro closure for comfort; an adjustable, removable shoulder strap adds carrying versatility. These details improve day-to-day use and shoe ventilation.

Well suited to companies, sports clubs, associations and individuals, this personalised sports bag can be customised from one piece. Personalisation methods available: screen printed transfer, MSO transfer, DTF printing and flex. We provide a free quote, a graphic studio for logo vectorisation and options for collection in Evere or delivery in Belgium, France and Luxembourg.
