DESCRIPTION

This reversible Kimood pouch is unisex and made from 100% cotton canvas with a simple open shape and a wide folded cuff allowing you to reverse the exterior. It comes in two sizes (S, M) and several colour options — for example natural and black — and is well suited for storing accessories, cosmetics or stationery. The sturdy canvas keeps its structure; the finished folded rim shown in the photo improves access and gives a neat look while remaining easy to clean.

The pouch can be personalised from one piece and fits businesses, clubs, associations, events and private customers. Available marking techniques include screen printing transfer, MSO transfer, DTF printing and flex. Useful for corporate gifts and merchandising, personalised pouch.
