DESCRIPTION

This cabin trolley in polycarbonate is designed for travel and comes in one size. The shell features a textured design inspired by the Pic de l'Aneto contours, rubber corner protectors, a telescopic handle and a side carry handle for easier handling. Four multidirectional wheels and side feet improve manoeuvrability, while a TSA combination lock secures your luggage. Inside are two compartments — one with a retention strap and one with a zippered pocket for accessories. Wipe clean with a damp cloth for maintenance.

This personalised trolley can be marked using screen printing transfer, DTF printing, MSO transfer or flex. It is suitable for companies, clubs, associations, events and private customers and can be personalised from one piece.

KEY FEATURES

- Original design depicting the slopes of Aneto in the Pyrenees.
