DESCRIPTION

Unisex wheeled bag in 100% polyester, designed for high-capacity transport. The XL size with dual compartments gives flexible storage: a zipped divider can be opened to create one large main compartment when needed. The fabric appears durable and easy to care for, suitable for frequent use during business trips or events.

The trolley features a front zipped pocket, a handle near the wheels to keep it stable when loaded, side compression straps with large buckles and a retractable trolley system for practical handling. Visible reinforcements at grab points and robust finishes indicate a construction built for regular use.

Suitable for companies, sports clubs, associations and private customers, this bag can be personalised as a personalised wheeled bag from one piece. Marking options include screen printing transfer, MSO transfer, DTF printing and flex. Available in 1 colour, for example Black. Our design studio can retouch or vectorise your logo for the quote.
