DESCRIPTION

Compact computer backpack for 13" tablets in polyester, designed for urban and professional use. The bag features a structured front panel, top and side carry handles shown in the photo, rear zip with a TSA locking system, padded shoulder straps and adjustable chest strap for comfort. Multiple pockets include quick access rear pocket, side pockets, bottle compartment, zipped mesh pockets and a pocket for a powerbank with integrated USB and micro-USB cable. Practical layout for carrying a tablet, cables and accessories. Polyester construction is easy to care for.

This backpack can be personalised from one piece and accepts DTF printing, transfer, Transfer MSO and flex (heat transfer). Recommended for companies, sports clubs, associations, events and private customers seeking a personalised computer backpack.
