DESCRIPTION

Unisex business backpack designed to carry documents, a tablet and a laptop up to 15" safely. Its vertical profile houses a large main compartment with a zipped mesh pocket and a padded laptop compartment. The bag is made from 100% polyester and is available in 1 colour, for example Black.

In use you'll find multiple zippered pockets: a double front pocket, a vertical front zip pocket and two symmetrical side pockets, all secured with zips. A rear strap allows the backpack to slide over a trolley handle for easier transport. Visible finishes show reinforced stitching at stress points and a durable exterior suited to daily professional use.
