DESCRIPTION

This personalised backpack features a semi-rigid shell with padded, breathable back and shoulder straps for comfortable wear. It accommodates a laptop up to 15" and a tablet, with a large main compartment including a zip mesh pocket, a front zip pocket and a dedicated side pocket. An internal side pocket and a concealed back pocket offer secure storage for passport, phone or powerbank. An external USB-C/USB connector with internal cable simplifies charging on the move.

The pack includes a TSA combination lock to protect contents and a trolley pass-through strap for easy travel. The semi-rigid structure keeps the bag's shape while remaining streamlined; the 100% polyester construction is designed for everyday use and easy care.

The personalised backpack can be ordered from one piece and accepts these marking techniques: transfer, DTF printing, Transfert MSO and flex. Well suited to businesses, sports clubs, associations, events and private customers looking for a functional, secure promotional backpack.
