DESCRIPTION

Unisex business backpack for laptop and tablet, made from 100% polyester. The backpack features a structured silhouette with a padded back and adjustable, ergonomic shoulder straps for comfortable carrying. The main compartment includes dedicated pockets for a laptop and tablet, while side pockets and multiple internal organisers — including a mesh zip pocket — keep essentials in order. A built-in key hook and a rear security pocket add practical value for daily use.

The front offers two zipped pockets that are ideal for personalised branding without reducing carrying capacity, and a trolley pass-through facilitates travel. The visible construction and finishes suggest a durable product suited to regular professional use.

This personalised backpack can be decorated by screen printing transfer, MSO transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, events and private customers; it can be personalised from one piece and is available in several colours such as Black and Navy.
