DESCRIPTION

This premium laptop backpack, made from 100% polyester, is built for daily professional use and travel. Its structured shape with padded, ergonomic shoulder straps provides comfortable carrying, while the breathable back and trolley strap ease transit. The fabric is easy to maintain with a damp cloth. It is available in several colours, for example Black, Caper Green and Sail Blue.

The design features three separate compartments: a main document compartment with multiple organiser pockets, a rear pocket dedicated to a laptop and tablet, and a front organised compartment with a zipped pocket ideal for customised badges or inserts. Zipped side pockets, metal zip pulls with extension rings and a rear security pocket with curved zip add practical, refined details for everyday use.

The backpack can be personalised from one piece and suits companies, sports clubs, associations, events and individuals. Possible techniques: transfer, MSO transfer, DTF printing and flex.
