DESCRIPTION

Men's umbrella with manual inverted opening, metal shaft and fibreglass ribs. The 23' canopy (108 cm diameter) provides generous coverage; made from pongé polyester (100% polyester) with a C-shaped polycarbonate handle for hands-free carrying on the wrist. One size, offered in several colourways such as Black and Slate Grey. Care: leave open to dry before storage.

This personalised umbrella can be customised using screen printing transfer, MSO transfer, DTF printing or flex (heat transfer). Ideal for companies, sports clubs, associations, events and private customers; customisation is possible from one piece and our design studio can vectorise or refine your logo.

KEY FEATURES

- Original reversible concept and windproof.
- Folds in on itself so that the wet side is enclosed.
- C-shaped handle so that the umbrella can be held by the wrist and keeps hands free.
