DESCRIPTION

This 100% cotton tote bag (310 g/m²) is made for everyday carrying and shopping. The flat base with a large gusset increases capacity, and an internal zipped pocket (20 x 20 cm) keeps keys, wallet and phone secure. The washed finish means each piece can show slight colour variations, giving a unique look to every bag.

The bag features thick rope handles threaded through metal eyelets for a comfortable grip and durable finish. No top closure is specified, but the reinforced base and construction provide good shape and load distribution for regular use.

This personalised tote bag can be customised from a single piece using screen printing transfers, MSO transfers, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
