DESCRIPTION

This washed cotton shopping tote is built for everyday use. It features a rectangular cut with a gusseted base for extra capacity, long cotton handles and a press-stud closure for comfortable shoulder carrying and secure storage. The 100% cotton shows a unique washed finish so each bag may have slight colour variations that give a relaxed, natural look; the substantial fabric weight provides structure without stiffness.

Details visible on the photo include reinforced stitching and firmly attached handles, making the tote suitable for carrying groceries, documents or daily essentials. The soft hand and the gusseted bottom prevent the bag from collapsing when loaded. Care is straightforward with a suitable cotton wash to preserve the washed appearance.

Customisable from one piece, this personalised shopping tote accepts decoration by screen printing transfer, MSO transfer, DTF printing or flex. It is suitable for businesses, clubs, associations, events and private customers. Our design studio can vectorise or refine your logo before production.
