DESCRIPTION

This large-format 100% cotton tote features a roomy cut with a wide base and gusset, designed to carry shopping or everyday items. The washed cotton gives a soft, lived-in look and the straps are made from the same fabric for comfortable carry. A snap fastener keeps the main compartment closed, while a large zipped inner pocket secures keys and phone.

Practical details include decorative rivets at the strap attachments for added durability and an exterior pocket for quick access. Available in several colourways such as Washed Black, Washed Cinnamon and Washed Green Clay, the tote is treated like standard cotton regarding care and retains the distinctive washed finish of each piece.

This personalised shopping (totebag) suits businesses, sports clubs, associations, events and private customers. Customisation methods available: screen print transfer, MSO transfer, DTF printing, flex (heat transfer vinyl). Our design studio can vectorise your logo and prepare artwork for production.
