DESCRIPTION

Unisex tote bag in 100% washed cotton (310 g/m²) with a wide base and gusset for extra capacity. The straps are made from the same cotton and decorative rivets reinforce the strap-to-body connection. The main closure is a magnetic snap. The washed finish means slight colour variations may occur between pieces.

The bag features two large external gusseted pockets with press studs, designed for easy access and straightforward customisation; the wide base helps the bag keep its shape when filled. Gentle washing is recommended to preserve the washed appearance.

Customisable from one piece, this personalised shopping (totebag) accepts several marking methods: transfer (screen transfer), DTF printing, transfer MSO and flex. Suited to businesses, sports clubs, associations, events and private customers looking for a functional, brandable tote. Available in multiple colours such as Washed Russet, Washed Navy or Washed Ivory.
