DESCRIPTION

The Kimood KI3225 long-handled shopping tote is a one-size 100% cotton bag (220 g/m²) with 70 cm straps designed for comfortable shoulder carry. Its flat, rectangular cut and natural fabric make it a lightweight, easy-care option for carrying documents or light shopping. It comes in several colours, such as Natural, Navy and Spicy Orange.

Finishes are minimal — top-stitched edge and securely sewn straps — and there is no closure, leaving a large flat area ideal for a visible print on the front.

This tote bag can be personalised from a single unit and suits companies, clubs, associations and private customers. Available marking techniques include screen print transfer, MSO transfer, DTF printing and flex (heat transfer). Our in-house design studio can vectorise or retouch your logo prior to production.
