DESCRIPTION

Work-oriented backpack for laptop and tablet, with a padded compartment for devices up to 15 inches. Slim, vertical profile with protective padding and a smooth recycled polyester fabric that stands up to daily use. Padded top handle and adjustable shoulder straps provide comfortable carrying; spot cleaning is recommended depending on wear.

The bag features an organised main compartment with a document sleeve, a large zipped front pocket with dual openings and a top zip pocket for quick-access items. Padded shoulder straps can be removed and stowed to convert the backpack into a horizontal briefcase-style carrier with a side handle. External Type-C connector with internal cable allows connection to a powerbank.

This personalised backpack can be branded from one piece using Screen printing transfer, MSO transfer, DTF printing or Flex. Suitable for companies, clubs, associations, schools and private customers. Our design studio can retouch or vectorise your logo before production.

KEY FEATURES

- Converts into a work saddlebag with the removable straps.
- External connector with cable for charging your devices.
- This product features Aware™ traceability technology.
