## DESCRIPTION

Large unisize shopping tote made from recycled cotton and recycled polyester, designed for everyday use and shopping. Its roomy cut and wide base provide substantial carrying capacity, while long handles in the same fabric allow comfortable shoulder wear. The visible construction shows straightforward, durable seams and a simple finish suited to repeated use. Available in several colours, for example Black Jhoot and Mineral Grey Jhoot, the bag is part of the K-loop circular initiative and offers a sturdy, eco-conscious option.

This personalised shopping tote can be decorated using screen printing transfer, MSO transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, events and individuals, it can be personalised from one piece. Our design studio can retouch or vectorise your logo before production.
