DESCRIPTION

Large shopping tote made from recycled cotton and polyester, offered in an XL format with a wide gusset and a structured base to accommodate shopping, folders or bulky items. Unisex one-size design with long shoulder straps in the same fabric as the body for comfortable carrying. The blend including 67% recycled cotton and 30% recycled polyester gives a robust, textile-like feel; care should follow the manufacturer’s guidance for mixed-fibre items.

The bag features reinforced seams along the sides and base to improve load-bearing capacity; the open top provides quick access to contents. Available in multiple colourways, for example Black Night, Ecume or Moonlight Navy, it is suited to everyday use, events and promotional distributions where carrying volume matters.

Customize this personalised shopping tote using screen printing transfers, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and individuals — the item can be personalised from one piece.
