DESCRIPTION

Tablet and laptop document sleeve, unisex and made from 100% recycled polyester. The padded interior protects devices and papers in transit, while the top zip secures contents. An internal pocket stores small accessories and a stitched metal loop at the side allows attachment of a strap. The sleeve offers a slim, professional profile suited to everyday use.

The flat cut makes it easy to slide the sleeve into a larger bag or carry under the arm. Visible top-edge detailing and seams in the photo indicate a structured yet low-volume construction; treat as a padded textile accessory for cleaning to preserve the lining and padding.

The sleeve can be personalised from a single piece and is appropriate for businesses, sports clubs, associations, events and private customers. Possible marking techniques: screen printing transfer, MSO transfer, DTF printing and flex. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.

KEY FEATURES

- Padded inner.
- Made from recycled polyester.
- This product features Aware™ traceability technology.
