DESCRIPTION

Unisex laptop bag for 15" devices made from recycled cotton and recycled polyester (70/30). It features a zipped main compartment, a front zip pocket, short carry handles and an adjustable, removable shoulder strap in recycled cotton webbing. The design is clean and practical with structured sides for everyday transport of a laptop and documents. Care should follow the manufacturer’s guidance for recycled textiles to keep fabric and shape intact.

This bag can be personalised from one piece and suits a personalised laptop bag approach using screen printing transfer, MSO transfer, DTF printing and flex (heat transfer). Recommended for companies, clubs, associations, events and private customers seeking a sustainable promotional item.
