DESCRIPTION

This personalised tote bag is made from 100% organic cotton with a washed, vintage finish. The one-size design features a gusseted base for extra capacity and long shoulder straps in the same fabric for comfortable carrying. Washed items are unique and may show slight colour variations, reflecting the natural cotton look.

The bag shows reinforced stitching at the handles, a rectangular shape and a flat bottom that makes it practical for carrying flat or bulkier items. Its straightforward construction makes it suitable for everyday shopping, events or distribution as part of promotional campaigns.

This personalised tote bag can be ordered from a single piece and customised using screen print transfer, MSO transfer, DTF printing or flex (flocking). Recommended for companies, sports clubs, associations, events and private customers; our artwork studio can retouch or vectorise your logo to ensure a clean print on organic cotton.
