DESCRIPTION

This Kimood seagrass basket is a one-size shopping (totebag) designed for everyday carrying with a natural look. Hand-woven from plant fibres, it provides a sturdy structure while remaining lightweight. The inner lining in recycled cyclo yarn and the drawstring closure add comfort and security for your belongings. Capacity is around 21 L, suitable for shopping or beach days.

The bag features round braided handles and a rectangular shape that enhances its strength. The textured weave and visible stitching give it durability and character; the lining protects items and makes maintenance easier. Available in 1 colour option (Striped Seagrass Black / Black N).

The bag can be personalised from a single piece and is ideal for companies, clubs, associations and private customers for events or retail. Possible techniques: screen printed transfer, MSO transfer, DTF printing and flex. Our studio can retouch and vectorise your logo for a clean print.

KEY FEATURES

- Conçu en jonc de mer, une matière en fibres végétales.
