DESCRIPTION

This demi-moon seagrass basket is a one-size shopping (totebag) measuring 21 x 38 x 21 cm with a capacity of about 19 L. Hand-woven from seagrass fibres, it offers a natural, lightweight structure with good stability. The interior lining in Hemp, made from recycled cotton and recycled polyester, provides a soft protective layer. The bag features round braided handles and a drawstring closure to keep contents secure. Care: spot clean and avoid prolonged immersion to preserve the natural fibres.

The curved demi-moon shape and visible weave give the bag a stable profile while remaining flexible. The internal lining with drawstring helps keep items contained and reduces dust entry; the integrated handles are designed for everyday use at markets, the beach or for casual shopping. The product is offered in several colours, including Seagrass and Hemp.

Order this personalised shopping (totebag) from 1 piece: available marking techniques are Transfer Screen Printing, Transfert MSO, DTF printing and Flex. Suitable for companies, sports clubs, associations, events and individuals; our studio can retouch or vectorise your logo prior to printing.
