DESCRIPTION

Unisex classic beanie designed for sports use, with a close-fitting cut and integrated ear coverage for running comfort. Made of stretch polyester (92% polyester, 8% elastane) with a soft anti-pilling microfleece inner lining, the fabric combines wind-resistant and breathable properties. Flat seams are visible for a snug, non-irritating fit. Available in several colours (e.g. Black) and one size, it should be laundered according to the manufacturer's guidance to preserve the microfleece lining and fabric performance.

This personalised beanie is suitable for embroidery. We can embroider your logo or design for companies, sports clubs, associations, events and individuals. The item is customisable from one piece; marking costs are itemised in the quote and our artwork studio can vectorise or refine your logo before production.

KEY FEATURES

- Ear warmers, perfect for running.
- Inner lining in soft anti-pilling microfleece.
- Breathable wind-breaker fabric.
