## DESCRIPTION

Unisex 6-panel cap in polyester, designed for breathability and comfort during outdoor use. The four rear panels feature laser micro-perforations for enhanced ventilation; the brim is curved and the fit is adjusted with a rear hook-and-loop fastening. One size, and easy to care for thanks to the synthetic fabric.

The cap shows clean panel stitching and a visible stitch line on the brim for a neat finish. The hook-and-loop closure allows quick adjustment, useful for teams and events where caps are shared. Available in several colours, for example Black, Navy or Urban Red.

This personalised 6 panels can be ordered from one piece and suits companies, sports clubs, associations and private customers. Customisation techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our design studio can retouch or vectorise your logo for the best print or embroidery result.
