| **Carton** | 100 pieces |

## DESCRIPTION

Men's neck warmer in 100% polyester with a micropolar inner lining designed to protect and warm the neck. The tubular one-size cut fits easily under a jacket or coat and offers a smooth outer face with good structure while remaining lightweight — suitable for everyday outdoor use.

The product shows a soft micropolar lining at the collar that provides added insulation and comfort; seams are discreet and finishes clean to minimise irritation. Available in several colours, for example Black, Navy and Red, it is well suited to commuting, training sessions or casual outdoor activities.

Order this personalised neck warmer with embroidery (embroidery) — recommended for companies, sports clubs, associations, schools and private customers. It can be personalised from one piece; our graphic studio can vectorise or retouch your logo and the marking is itemised in the quote.

## KEY FEATURES

- Keeps the neck warm and protected thanks to its microfleece lining.

## COLOURS (4)

Black

Lagoon / Light Grey

Navy / Slate Grey

Red / Light Grey

## SIZES

**One Size**

Diagram, measurements in cm and size chart: manufacturer's technical sheet (PDF)
