DESCRIPTION

This unisex bucket hat is made from lightweight cotton twill and features a straight crown and soft stitched brim; the photo shows it worn slightly high on the head for a casual look. The 100% cotton construction feels comfortable and breathable, and the hat is offered in several colours (e.g. Black, White, Navy) in one size. Visible topstitching on the brim gives it a clean, structured finish.

Its simple, practical shape makes it suitable for outdoor events, club activities, promotional use or team wear. With no adjustment hardware, it stacks and packs easily — a practical choice for bulk preparation while remaining stylish on the wearer.

This personalised bucket hat can be customised from one piece using embroidery, flex, DTF printing, screen printing or transfer methods. Recommended for companies, sports clubs, associations, schools and private customers. Free quote within 24 hours on weekdays; our studio can vectorise or retouch your logo. Collection at our Evere workshop or delivery to Belgium, France and Luxembourg.
