## DESCRIPTION

Unisex 5-panel cap in 100% combed cotton (350 g/m²), designed for comfortable everyday wear. The five-panel construction gives a structured yet flexible shape with a classic curved peak and a soft handfeel from the cotton fabric. One size fits most; care is straightforward — handwash or follow gentle cotton-care routines to maintain shape.

The rear metal buckle closure provides durable adjustment and a secure fit. Visible stitching and robust finishing details contribute to a product built for repeated use at events, stands or for teamwear. The cap is available in several colours, for example Black, Navy or Khaki.

This personalised 5-panel cap can be customised by embroidery, DTF printing, flex (heat transfer vinyl), screen printing transfer or MSO transfer depending on the desired effect. Orderable from one piece on a large range of textiles; suitable for companies, sports clubs, associations, schools and private customers. Free quote within 24 hours on weekdays; standard production and express options available. Our design studio can vectorise or retouch your logo.
