DESCRIPTION

Unisex 5-panel cap in cotton twill, designed for everyday comfort. The five-panel construction and flat peak create a modern, structured look while the cotton fabric provides a flexible yet durable feel. One size with a plastic snapback adjustment fits most head sizes. Easy to care for and suitable for regular wear.

The cap shows neat stitching between panels and clean finishing on the peak and brim, contributing to good shape retention. The snapback strap allows quick adjustment without compromising the cap's silhouette. Available in several colours such as Black, Navy and Red.

This personalised 5-panel cap can be finished by embroidery, DTF printing, flex, screen printing or transfer MSO, depending on the desired effect. Ideal for companies, sports clubs, associations, events and individuals; customisation is possible from one piece. Our studio can refine or vectorise logos. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
