DESCRIPTION

Unisex polyester trucker with a 6-panel construction and curved peak, offering a structured fit and an urban look. The front panels are solid while the back features mesh panels for ventilation; the polyester fabric provides durability and a lightweight feel. One size with a plastic adjustment strap, easy to care for and quick to dry.

Built for daily wear, the 6-panel shape keeps its form and the curved peak offers sun protection without bulk. Visible stitching around the panels and the peak gives a clean finish and a reliable base for decoration. Available in several colourways, for example Light Navy Heather/Dark Grey, Silver Heather/Dark Grey or Steel Grey Heather/Black.

This personalised trucker can be customised from a single piece using embroidery, screen printing transfers, MSO transfer, DTF printing and flex. Suited for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.
