DESCRIPTION

Unisex 6-panel cap in cotton twill, designed for comfortable wear and a clean, structured look. The six-panel construction gives the cap a defined shape with a slightly curved peak; the cotton fabric provides softness and a flexible feel. One size with an adjustable metal buckle at the back for a precise fit.

The six-panel build ensures stable fit and durability, with visible stitching and eyelets that reinforce the construction. The cap is available in several colours — for example Beige/White, Navy/White or Red/White — allowing alignment with your brand or team colours.

This personalised cap can be ordered from a single piece and customised using embroidery, screen printing transfer, MSO transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, events and private customers. Our artwork studio can retouch or vectorise your logo to ensure the best imprint quality.
