DESCRIPTION

Unisex 6-panel cap made from 100% polyester, designed for light, comfortable wear. The six-panel construction gives a structured shape and a curved peak that provides sun protection while keeping a low profile. The material is durable and easy to care for; gentle washing is recommended to maintain shape and stitching.

This cap comes in several colours, including Black, Navy and Royal Blue, and features a rear hook-and-loop strap for quick, reliable adjustment. Visible seam detailing on the panels and a clean-edged peak make it well suited to everyday use by teams or at events.

Customisation available from a single piece using DTF printing, transfer, flex and embroidery. Suitable for companies, sports clubs, associations, schools and private customers looking for a personalised 6-panel cap. Our design studio can retouch or vectorise your logo before production.

KEY FEATURES

- Hard-wearing material.
- Quick to adjust thanks to the rear size adjuster with tear-release fastening for optimum fit.
