DESCRIPTION

Unisex 6-panel Trucker designed for everyday wear and outdoor events. The front panels and peak are cotton, offering a matte look and a stable surface for printing, while the polyester mesh back provides good ventilation during extended use. One size with a plastic snapback lets you adjust quickly for team members, volunteers or personal use.

The six-panel construction gives a firm front for branding and a slightly curved peak as shown in the photo, providing sun protection without bulk. The cotton/polyester mix simplifies care and keeps structure intact, and the plastic adjustment makes sizing fast and reliable.

Customisation available via screen printing, MSO transfer, DTF printing, flex or embroidery. Perfect as a personalised Trucker for companies, sports clubs, associations, events or individuals — can be personalised from one piece, and our design studio can vectorise or retouch your logo.
