DESCRIPTION

Unisex 5-panel cap in polyester (300 g/m²), designed for everyday wear. The high-profile cut and straight visor keep a clean silhouette and maintain shape, while the polyester fabric offers durability and easy care. One size with a plastic snapback adjuster to fit most head sizes.

The five-panel construction provides a flat front panel that is well suited to printing, and visible seam lines add structure. The straight visor and neat finishing deliver a crisp look; the cap is available in several colourways, for example Black, Light Grey and White.

This personalised 5-panel cap can be customised from a single piece. Decoration options: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, schools, events and private customers seeking a branded promotional item or team accessory.
