DESCRIPTION

Unisex 6-panel snapback with a high profile, made from durable polyester for everyday wear. It features a flat visor and six-panel construction with ventilation eyelets for comfortable wear. The cap is available in several colours, for example Black, Dark Grey and Navy, and comes in one size thanks to its adjustable plastic snap closure.

The finish is practical: flat peak, regular panel stitching and snapback adjustment to fit most head sizes. Polyester holds the shape well and the cap keeps its profile after regular use, making it suitable for frequent wear.

Order this personalised snapback from one piece using embroidery, DTF printing, flex, screen print transfers and MSO transfers. Suitable for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.
