## DESCRIPTION

Unisex 6-panel cap in polyester, designed for sports and athletic activities. It features a classic cut with a curved peak, a lightweight durable fabric for comfortable wear and easy care. One size fits most thanks to the adjustable rear strap and the six-panel construction, making it suitable for regular outdoor use.

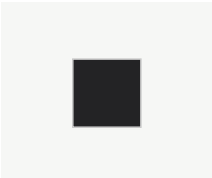

Practical details include a hook-and-loop rear closure, stitched eyelets for ventilation and a slightly curved brim that offers sun protection while allowing full freedom of movement. The cap keeps its shape and has neat seams for a clean, functional finish.

This personalised 6-panel cap can be customised from a single piece using embroidery, screen printing transfers, MSO transfer, DTF printing and flex (heat transfer). Well suited to companies, sports clubs, associations, events and private customers; our studio can also vectorise or retouch your logo for optimal results.
