DESCRIPTION

Unisex 5-panel cap in 100% cotton (260 g/m²) designed for everyday comfort. The five-panel cut gives a structured yet flexible shape, with a slightly curved peak and a one-size adjustable closure featuring a metal buckle with an auto-locking slider. Cotton provides softness and good absorbency for prolonged wear.

Practical finishing touches include visible stitching on the panels and peak for consistent fit. One Size suits most head sizes; gentle washing is recommended to preserve the fabric and shape.

This personalised 5-panel cap accepts a range of decoration methods: screen printing transfer, MSO transfer, DTF printing, flex (flocking) and embroidery. Suitable for companies, sports clubs, associations, events and individuals — customisable from one piece and offered in several colour options.
