DESCRIPTION

Unisex 6-panel cap in cotton, designed for comfortable everyday wear and a close, stable fit. The six-panel construction follows the head's shape while remaining breathable; the visor is lightly structured to shield from the sun without feeling bulky. Cotton gives a soft touch and good moisture absorption for regular use.

The rear adjustable metal buckle with locking slider ensures a secure, precise fit and easy adjustment. Panel seams are neatly finished to maintain the cap's shape. Available in several colours, such as Beige, Black or Forest Green, in one size.

This personalised 6-panel cap can be customised from a single piece using embroidery, DTF printing, flex or transfers (screen print transfer, MSO transfer). Suited to companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo before production.
