DESCRIPTION

Unisex cap in 100% cotton, designed for comfortable wear throughout the year. The 6-panel construction provides a close-fitting shape that follows the head, with a gently curved peak and visible stitching for a clean finish. One size with an internal band to improve comfort and help absorb light perspiration. Gentle washing is recommended to preserve the cotton fabric.

The cap features an adjustable metal buckle with an auto-locking slider at the back for a secure fit. A central top button and reinforced seams between panels give structure and durability in everyday use. A straightforward, versatile cut suited to daily wear, outdoor events and team outfits.

This personalised cap can be customised from a single piece for companies, sports clubs, associations and private customers. Available marking techniques: embroidery, flex, DTF printing, screen print transfer and Transfert MSO. Ideal for branded uniforms, promotional items and team giveaways.
