DESCRIPTION

Unisex 5-panel cap in brushed cotton (340 g/m²) offering comfortable everyday wear and a structured-yet-soft silhouette. The One Size design features an adjustable hook-and-loop closure at the back for quick, precise fitting. Constructed in 100% cotton for a pleasant handfeel and straightforward care.

Stitching along the panels and peak gives a clean finish while keeping the cap lightweight. The peak retains shape without excess stiffness and the overall build provides reliable wear for events or daily use. Offered in several colours, for example Navy, Red and Beige.

Customisable by embroidery (embroidery), DTF printing, flex, screen printing transfer and MSO transfer. Suited to companies, sports clubs, associations, events and individuals looking for a personalised 5-panel cap from a single piece; our studio graphique can vectorise or retouch logos for production.

KEY FEATURES

- High-quality thick brushed cotton twill for greater softness and suppleness.
